

Join us for a free workshop event in Kuala Lumpur:

Best practice for an inclusive school

Join us for the morning session, the afternoon workshop, or for both.

Your invitation

Please join us for this informative session on **Thursday 3rd April** to support you in developing the principles for inclusion in your school.

We will also explore how effective behaviour support can enhance supportive learning environments.

During the morning session (10am-12pm) you will:

- ✓ learn about promoting the principles of inclusive education
- ✓ develop your understanding of equity and inclusion in all aspects of the school community, including students with additional learning needs/people of determination
- ✓ learn about how effective behaviour support contributes to positive learning environments.

The Energy Source
4 Lengkok Abdullah, Bangsar
59000 Kuala Lumpur

Thursday 3rd April

Join us for the morning session, the
afternoon workshop, or for both.

Your check-list guide

All attendees will receive a helpful resource for supporting children in school with their behaviour, including:

- Student behaviour policy
- Positive behaviour model
- Promoting positive behaviour through a student code of conduct
- Misconduct policies and procedures
- Bullying prevention
- Absence, searching, screening, and confiscation
- Compliance

Afternoon session (1:00pm - 3:00pm)

In the afternoon workshop we'll explore some key Team Teach concepts and content in behaviour support that you can consider for policy implementation in your school.

The Team Teach training approach supports a positive behaviour policy, containing essential behaviour support strategies and de-escalation techniques, promoting consistency of approach across staff teams.
